Subject: Petition No. 0748/2012 (reference to be quoted in all correspondence)

Dear Mr Keim,

I would like to inform you that the Committee on Petitions has considered your petition and declared it admissible under the terms of the European Parliament's Rules of Procedure, given that the issues raised come within the sphere of activity of the European Union.

However, the Committee is not in a position to deal with the substance of your petition and has therefore noted your remarks.

At its meeting of 12.07.2012 the Committee on Petitions adopted a working document concerning a fact-finding visit to Berlin in November 2011, during which a delegation from the committee met representatives from the responsible German authorities. Please find enclosed a copy of the said document.

Please note that consideration of your petition by the European Parliament has been concluded and the file has therefore been closed.

Yours sincerely,

Erminia Mazzoni
Chairman
Committee on Petitions
